§ 7801. Findings and declaration of policy

(a) Findings

Congress finds the following:

(1) Hass avocados are an integral food source in the United States that are a valuable and healthy part of the human diet and are enjoyed by millions of persons every year for a multitude of everyday and special occasions.

(2) Hass avocados are a significant tree fruit crop grown by many individual producers, but virtually all domestically produced Hass avocados for the commercial market are grown in the State of California.

(3) Hass avocados move in interstate and foreign commerce, and Hass avocados that do not move in interstate or foreign channels of commerce but only in intrastate commerce directly affect interstate commerce in Hass avocados.

(4) In recent years, large quantities of Hass avocados have been imported into the United States from other countries.

(5) The maintenance and expansion of markets in existence on October 28, 2000, and the development of new or improved markets or uses for Hass avocados are needed to preserve and strengthen the economic viability of the domestic Hass avocado industry for the benefit of producers and other persons associated with the producing, marketing, processing, and consuming of Hass avocados.

(6) An effective and coordinated program of promotion, research, industry information, and consumer information regarding Hass avocados is necessary for the maintenance, expansion, and development of domestic markets for Hass avocados.

(b) Purpose

It is the purpose of this chapter to authorize the establishment, through the exercise of the powers provided in this chapter, of an orderly procedure for the development and financing (through an adequate assessment on Hass avocados sold by producers and importers in the United States) of an effective and coordinated program of promotion, research, industry information, and consumer information, including funds for marketing and market research activities, that is designed to--

(1) strengthen the position of the Hass avocado industry in the domestic marketplace; and

(2) maintain, develop, and expand markets and uses for Hass avocados in the domestic marketplace.

(c) Limitation

Nothing in this chapter may be construed to provide for the control of production or otherwise limit the right of any person to produce, handle, or import Hass avocados.

(b) Rights

(2) shall be construed to treat all persons producing, handling, and importing Hass avocados fairly and to implement any order in an equitable manner.

(c) Other programs

Nothing in this chapter may be construed to preempt or supersede any other program relating to Hass avocado
promotion, research, industry information, and consumer information organized and operated under the laws of the United States or of a State.

§ 7812. Regulations

Hass avocados. The development of domestic markets for maintenance, expansion, and promotion, industry information, and Department) to conduct research, (Board) will be appointed by the U.S. assessed. The Hass Avocado Board imported Hass avocados will be avocados are exempt from assessment. The United States. Exports of U.S. Hass the United States for consumption in the produce under the Order (66 FR 36870) and the referendum procedures (66 FR 36886) were published in the Federal Register on July 13, 2001, each with a 45-day comment period. Subsequently, the USDA published a notice in the Federal Register on August 26, 2001 (66 FR 4158), extending both comment periods by 15 days, to September 12, 2001. A second proposed rule on the Order (67 FR 7290) and a final rule on the referendum procedures (67 FR 7261) were published in the February 19, 2002, issue of the Federal Register. Corrections to both of these rulemakings were published in the March 25, 2002, issue of the Federal Register. A referendum order was published in the April 9, 2002, issue of the Federal Register (67 FR 17018).

Who Will Be Covered by the Program?
Producers and importers of Hass avocados will pay assessments under the program, and first handlers will be involved in the assessment collection process. Who Will Sit on the Board? The Act provides that there will be a 12-member Board consisting of seven domestic Hass avocado producers, two importers, and three additional members who can either be importers or domestic producers. The three “swing” seats will be allocated to producers and importers so as to assure as nearly as possible that the composition of the Board reflects the proportion of domestic production and imports supplying the United States market. The proportion will be based on the average volume of domestic production and imports in the United States over the previous three years. Each member will have an alternate.

How Will Members of the Board Be Selected?
The Order provides for a nomination and election process to identify industry members who are interested and willing to serve on the Board. In the initial nomination process, the California Avocado Commission (Commission) will conduct an election to determine who will be nominated for each domestic producer seat. USDA will conduct an election among importers to determine who will be nominated to fill the importer seats. Two names must be submitted for each member or each alternate position. From the names submitted, USDA will appoint the members and alternates of the Board. Executive Orders 12866 and 12988 This rule has been determined to be not significant for purposes of Executive Order 12866 and, therefore, has not been reviewed by the Office of Management and Budget. This rule has been reviewed under E.O. 12988, Civil Justice Reform. It is not intended to have retroactive effect. Section 1212 of the Act states that the Act may not be construed to preempt or supersede any other program relating to Hass avocado promotion, research, industry information, and consumer information organized and operated under the laws of the United States or of a state.

Under Section 1207 of the Act, a person subject to the Order may file a petition with USDA stating that the Order, any provision for the Order, or any obligation imposed in connection with the Order, is not established in accordance with law, and requesting a modification of the Order or an exemption from the Order. Any petition filed challenging the Order, any provision of the Order, or any obligation imposed in connection with the Order, shall be filed within two years after the effective date of the Order, provision, or obligation subject to challenge in the petition. The petitioner will have the opportunity for a hearing on the petition. Thereafter, USDA will issue a ruling on the petition. The Act provides that the district court of the United States in any district in which the
petitioner resides or conducts business shall have the jurisdiction to review a final ruling on the petition, if the petitioner files a complaint for that purpose not later than 20 days after the date of the entry of USDA’s final ruling.

Regulatory Flexibility Act

In accordance with the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 et seq.), the Agency has examined the impact of this rule on small entities and prepared a final regulatory flexibility analysis that was included in the proposed rule published in the Federal Register on February 19, 2002. This analysis indicates that the Agency minimized the economic impacts of the Order provisions on small entities to the fullest extent reasonably possible while adhering to the program’s objectives.

In addition, the Order provisions were carefully reviewed, and every effort was made to minimize any unnecessary information collection and recordkeeping costs or requirements. In accordance with OMB regulation (5 CFR part 1320) which implements the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the collection and recordkeeping requirements that are imposed by this Order were submitted to OMB and approved under OMB control numbers 0581–0197 and 0505–0001. The information collection numbers differ from what was published in the Federal Register on February 19, 2002, proposed rule because the rule inadvertently omitted OMB number 0505–0001 for the background nomination form. Section 1219.77 is corrected to add this OMB control number.

Copies of the final regulatory flexibility analysis and the discussion of the information collection and recordkeeping requirements contained in this rulemaking can be obtained from Julie Morin at the address listed above or by e-mail at julie.morin@usda.gov.

Background

The Act authorizes the Department to establish a Hass avocado research, promotion, and information program. The program will be funded by an assessment levied on producers and importers of Hass avocados of 2.5 cents per pound of Hass avocados. The rate may be raised up to a maximum rate of 5 cents per pound. Exports of U.S. Hass avocados are exempt from assessment. The Act authorizes assessments on domestic Hass avocados and on imports of fresh, frozen, and processed Hass avocados. Initially, only fresh domestic and imported Hass avocados will be assessed.

The Board will use the funds to pay for research, promotion, industry information, and consumer information; administration, maintenance, and functioning of the Board; and expenses incurred by USDA in implementing and administering the Order, including referendum costs. The Board will be composed of 12 voting members; 7 producers, 2 importers, and 3 producer and importers (swing seats). The three “swing” seats will be allocated to producers and importers so as to assure as nearly possible that the composition of the Board reflects the proportion of domestic production and imports supplying the United States market, based on the three-year average of domestic production and imports. The producer assessment will be collected by first handlers, and the importer assessment will be collected by the U.S. Customs Service.

The Board will be the body organized to administer the Order through the implementation of programs, plans, projects, budgets, and contracts to promote and disseminate information about Hass avocados, under the supervision of USDA. Further, the Board will be authorized to incur expenses necessary for the performance of its duties and to establish a reserve fund.

Copies of the final regulatory flexibility analysis and the discussion of the information collection and recordkeeping requirements contained in this rulemaking can be obtained from Julie Morin at the address listed above or by e-mail at julie.morin@usda.gov.

General Findings

The Department conducted a referendum among producers and importers of Hass avocados from June 24 through July 12, 2002, to determine whether the Order would become effective. The representative period for establishing voter eligibility was from January 1, 2000, through December 31, 2001. It is determined that a majority of the eligible producers and importers
voting in the referendum favored implementation of the Order. After consideration of all relevant materials presented, including the proposals, comments received, and the referendum results, it is found that the Order is consistent with and effectuates the policy and purpose of the Act.

Pursuant to the provision in 5 U.S.C. 553, it is found and determined that good cause exists for not postponing the effective date of this action until 30 days after publication in the Federal Register because: (1) The Act requires implementation of the Order if the Order is approved by the Hass avocado industry; (2) the industry approved the Order in a recent referendum; (3) the Order cannot be fully implemented until this rule becomes effective and the Board is appointed; and (4) no useful purpose would be served by delaying the effective date of this action. Further, collection and remittance of assessments and applicable reporting will begin on January 2, 2003. If the Board is not in place on the effective date of the Order, the Order provides for the Department to receive assessments on the Board’s behalf.

The Hass Avocado Board

§ 1219.30 Establishment and membership.

(a) A Hass Avocado Board, called the Board elsewhere in this part, is hereby established to administer the terms and provisions of this subpart. The Board shall consist of 12 members nominated by the Hass avocado industry and appointed by the Secretary as provided in this subpart, each of whom shall have an alternate nominated and appointed in the same manner as members of the Board are nominated and appointed. Board members and alternates shall be domiciled in the United States.

(b) The membership of the Board shall be divided as follows:

(1) Seven members and their alternates shall be producers of Hass avocados that are subject to assessments under this subpart;

(2) Two members and their alternates shall be importers of Hass avocados that are subject to assessments under this subpart; and

(3) Three members shall be producers of Hass avocados that are subject to assessments under this subpart or importers of Hass avocados that are subject to assessments under this subpart. Producers and importers shall be allocated to these positions so as to assure as nearly as possible that the composition of the 12-member Board reflects the proportion of domestic production and imports supplying the United States market. Such proportion shall be based on the Secretary’s determination of the average volume of domestic production and the average volume of imports into the United States market over the previous three years, based on all information available to the Secretary.

(c) Three years after the assessment of funds commences pursuant to this
subpart, and at the end of each three-year period thereafter, the Board shall review the production of domestic Hass avocados in the United States and the volume of imported Hass avocados on the basis of the amount of assessments collected from producers and importers over the immediately preceding three-year period and, if warranted, recommend to the Secretary the reapportionment of the positions authorized in paragraph (b) of this section to reflect changes in the proportion of domestic Hass avocado production to the volume of imported Hass avocados, to the extent possible in the Act.
